May 2014 Edition

Fun at Pub Night with "The Country Rogues!" It was a Full House! – From April 25th at 7:00pm

Attention Bingo Players!

Please be aware that beginning for the Month of May, all Bingo games will become Nickel games. Pennies are becoming too far and few between, and are no longer accepted anywhere. For this reason, only Nickel games will be played. The first Nickel bingo will be played Thursday May 1st @10:30am in the Activity Room. See you there!

Simcoe Terrace Athletes of the Month of April!

2014 Air Conditioner Installations

The snow has just melted and here we are listening to forecasts of a very hot summer! If you wish to purchase an air conditioner, a 5000-6000 BTU is sufficient for the size of the rooms. If you wish Alex to install and then remove the air conditioner, the cost will be \$30. The hydro surcharge will be \$60 for the season and added to the first month of the installation. A waiver must be signed if we or your family install the air conditioner. This can be done at the front desk with Sharon. We also ask that if you have Alex install your air conditioner, the area MUST be free and clear of any obstacles that could hinder the installation process! Thank You!

Resident Council Update

Congratulations to Bud B. for winning April's 50/50 draw in the amount of \$41.00!
The Easter basket was won by Helen F!
Resident Council will be starting another 50/50 draw first week of May!

Message from the General Manager

April showers bring May flowers; this year it seems we are running a month late but we will welcome any sunshine and warmth that Mother Nature wants to throw our way. Fortunately we are out of outbreak and I will have an update on the bed bug nuisance within the next week. Thank you all for your cooperation. Spring is here and with that comes a great opportunity to de-clutter your closets and rooms.

It is with great pleasure that I officially announce our Lifestyles Consultant position has been awarded to Amber Head. Amber has continued to fill in this role, on and off, for the past few years and we can't be happier for her. Her office has moved down to the North end of the building on the first floor and she invites all of you to visit with her. On that note, Theresa Abreu, has accepted the temporary position of Assistant General Manager for the next three months. Her door continues to be open to all the residents and their families for any matter that she can help with. I will be available Mondays and Fridays for the next three months. May flowers should be blooming soon-get out and enjoy the sunshine!

- Michael Ayers, General Manager

As many of you know, the Lifestyle Consultant Office has moved! It is now located in the old Fitness Room! Some comment that the room is huge for one office! Well, fact is, the room will be not just an office, but a place for community as well. Over the next couple of weeks, you will find a Community and Services information area where you can learn about what is going on with services and community in the Barrie area. In the office you will still find all Barrie Public Library Books, and as a new addition, a DVD movies and music CD borrowing service as well. The tuck shop is also parked in the office. Although the shop is open Monday, Wednesdays and Fridays in the front lounge, if you feel the need for something sweet in off times, please come on down! Have something personal you would like to share with others? There will be a Resident Bulletin Board in the office as well. In the next while, we also hope to have a workout corner and seating area in the office. We will keep you posted on progress!

- Amber Head, Lifestyle Consultant
