March winds and April showers bring May flowers!

Message from the GM

As I write this it is bright, sunny and almost warm outside. It feels like Spring already and it is only the beginning of March.

Carol is starting to work on Spring and Summer menus (thinking about barbecues) and that is always a good sign. We are just exiting an outbreak of stomach upset and I would like to thank everyone for your patience and diligent hand sanitation.

Hopefully this year, we have avoided Influenza and let's all hope that the Corona virus coming out of China doesn't spread too much further.

Stay healthy everyone!
